this insightful work is a theological historical and scriptural explanation of the tabernacle of moses in the sinai wilderness it is a practical in depth and engaging work that examines in detail the old testament tabernacle and gleans from every aspect of its story a connection with jesus christ the author has journeyed back into time and takes us along to where he uncovers amazing and revealing connections between the old tabernacle with all its bloodshed and the work of jesus christ on the cross at golgotha the tabernacle of moses is an intensely transformative work it reveals long hidden secrets whose discovery introduces our hearts to truth we have never known and pours into our understanding immensely revealing connections that leave no doubt as to why the tabernacle of moses was a necessary prerequisite for the work of our messiah jesus christ written for both christians and non christians seeking biblical understanding the tabernacle of moses is a guide for greater comprehension of both old and new testament scriptures through this old testament portable sanctuary where god chose to live on earth among his people we are afforded a close up view of israels journey from bondage in egypt to freedom through the red sea as the israelites moved towards the promised land the book explains how god uses this tabernacle and ultimately the entire bible to teach through types shadows and symbolism the importance of this structure in the development of the religious life of israel and in the believers life today this work seeks to help us understand how the redeeming work of jesus christ is made possible based on the tabernacle of moses

the tabernacle is the greatest of all the old testament types of christ as we look closely at its furniture its priesthood and its feast observances we are afforded a glimpse of god s glory his grace and his love for his chosen people the sacrifices and rituals performed in the tabernacle in the wilderness only pointed ahead to the time that god would reconcile his people to himself it is in this study of the tabernacle that tangibles become teachable it is where old testament realities that could be touched become new testament principles that must be put into practice it is through this study of the tabernacle that we more fully understand the principle of the actuality of the old depicts the spirituality of the new in this study we get to see jesus christ his purpose and process of redemption his plan of salvation and his role as savior the tabernacle is a study of god s masterpiece of typography to come away from a study of the tabernacle as an expert in the tabernacle and still not understand how to approach and worship the creator and having not experienced jesus during your study will basically have been an exercise in futility the purpose of this study is not to acquire knowledge for the sake of having more knowledge it is not to make one a bible scholar on the tabernacle instead the purpose of this study is to reveal jesus throughout the tabernacle and to enhance both one s corporate and individual worship experiences it is my sincerest hope and prayer that this book will give you a fresh perspective of worship a better understanding of his holiness and a renewed respect for the presence of god

full color reproducible book on the the tabernacle with clear plastic overlays of the coverings of the tent of meeting the tabernacle was the place where the israelites worshiped god after the exodus learn how the sacrifices utensils and even the structure of the tabernacle were designed to show us something about god see the parallels between the old testament sacrifices and priests duties and jesus service as the perfect sacrifice and perfect high priest see how the tabernacle was built the sacrifices pointed towards jesus christ the design of the tent revealed god s holiness and humanity s need for god the ark of the covenant was at the center of worship contains illustrations charts and diagrams not available elsewhere 128 pages full color with 8 clear plastic overlays showing inside outside of the tabernacle plus dozens of reproducible charts you may reproduce up to 300 copies of any chart free of charge for your classroom

when god told moses to build the tabernacle in the wilderness according to the pattern which he showed him in the mount he said speak unto the children of israel and let them make me a sanctuary that i may dwell among them exodus 25 2 25 8 when the inspired apostle explained the spiritual significance of this god s dwelling place among his people israel he said to the hebrew christians we have such an high priest who is set on the right hand of the throne of the majesty in the heavens a minister of the sanctuary and of the true tabernacle which the lord pitched and not man hebrews 8 1 2 these words from the new testament not only give us the holy spirit s commentary on the meaning of the tabernacle in the wilderness but they are the key that unlocks a vast treasure of spiritual truth regarding the earthly sanctuary which moses built in order that god might dwell among his people if we would understand the new testament teaching concerning this jewish tabernacle which was a shadow of good things to come hebrews 10 1 we should compare the exodus record with the epistle to the hebrews especially chapters eight and nine which deal with the tabernacle in particular though primarily with the ministry of christ our great high priest in the true tabernacle which the lord pitched and not man this comparison of the old testament with the new will unfold to us the glories of christ as foreshadowed in the jewish tabernacle yea it will reveal to us the wonders of the prophetic scriptures wherein the holy spirit testified beforehand the sufferings of christ and the glory that should follow 1peter 1 11 in connection with the typical significance of the jewish tabernacle we have one of the many clear proofs that the old testament is the new testament concealed whereas the new testament is the old testament revealed jehovah of the old testament is jesus of the new and the triune god gave to israel the tabernacle the priesthood and the offerings in order that sinful man might recognize the promised saviour and understand the significance of his mission and death

the pages of this book discuss the similarities in purpose and design between the redemptive work of jesus christ christian living and the tabernacle of sinai it carefully details the seven steps of tabernacle worship describing god s plan of salvation

this volume contains the first english translation of bede s allegorical commentary on the tabernacle of moses which he interpreted as a symbolic figure of the christian church written in the early 720s at the monastery of wearmouth jarrow in northumbria on the tabernacle de tabernaculo was the first christian literary work devoted entirely to this topic and the first verse by verse commentary on the relevant portions of the book of exodus on the tabernacle was one of bede s most popular works appearing in a great many manuscripts from every period of the middle ages

the classic book christ in the tabernacle by a b simpson is subtitled the old testament portrayal of the christ of the new testament a b simpson again brings the truths of the old testament wilderness tabernacle and its makeup linens structure and furnishings contained within to the forefront of a simplistic theological discussion on how christ is portrayed by those items it is a true simple and honest approach at showing how the old testament priests and people of god the israelites could look forward to the coming messiah and see him through the ordinary things they dealt with in their daily worship in eight chapters a b simpson brings to life the wilderness tabernacle in vivid detail and shows how the indestructible wood the gold the finest linens the carvings were all superimposing on all of it the likeness of christ a b simpson lifts up jesus christ in this book and tries to get the

lay person to understand the importance that all scripture points to christ both in the old testament and the new testament to a b simpson it was vital that christ was visible as the coming messiah in the old testament and the messiah that died and was resurrected in the new testament

does the tabernacle of moses hold any meaning for believers today yes it is not merely a historical building but rather holds much significance for you and me the lord told moses let them make me a sanctuary that i may dwell among them it reveals the heart of god to have intimate union and fellowship with his people in this anointed study dr bailey expounds on the many hidden truths in the tabernacle of moses leading us through the spiritual experiences of the outer court the holy place and into the very presence of god in the holy of holies studying these truths enables believers to gain a deeper understanding of his ways that we might make our dwelling place under the shadow of the almighty

this book uses a verse by verse approach to understand the tabernacle when i prayed about starting this book the answer was at the beginning after i began writing that made sense to understand the tabernacle we have to understand god s personality that s when items in the tabernacle began to come alive what better way to understand the tabernacle then to study the subject the way moses recorded it i can t think of a better way i m sure after reading this book you ll agree can anyone improve on the sequence god gave moses the tabernacle reflects jesus personality as well as his dedication ambitions and goals the tabernacle is like jesus application to this world to be their messiah savior god king high priest and friend this book shows how a series of stories in the bible led to the israelites leaving egypt covers the collection of materials for the tabernacle as well as instructions and directions god gave to moses to build the tabernacle
